

Supplement, Not Supplant

The Hitchcock County School District will use Title I, Title II, Title IV, and any other funds subject to Supplement, Not Supplant requirements as required by law. The district will use said funds to Supplement, Not Supplant, state and local funds that would, in the absence of such funds, be spent on Title programs. The district will ensure that Title funds will not be used to provide services which otherwise take the place of public education services that are to be provided to all students.

The district maintains records of the professional development provided at the district level that is funded with Title funds. The Superintendent will ensure that professional development is aligned with the needs of the district's Title programs. Title professional development will not duplicate that which the district provides for non-Title purposes which, in the absence of Title funds, would be provided to all staff.
